

# LEONG SHI KANG, **BENJAMIN**

Financial Advisor ||  
Aspiring Software Engineer

## ABOUT ME

A highly motivated and detail-oriented professional seeking a challenging position in the field of software engineering. Coming from a field in financial advisory equipped me with strong communication and interpersonal skills as well as quick critical thinking to come up with solutions for my clients.

Dedicated to continuous learning and development, with a commitment to staying up-to-date on the latest industry trends and best practices. Excited about the opportunity to leverage my newly learned skills and experience to make a meaningful contribution to the world of software development
